Aaron:

Can I please have an Assembly companion bill jacketed for LRB 4256/P1? We are working with Sen. Schultz on this. Rep. Ainsworth is fine with the drafting note - so if you could convert it to a regular /1, that would be great.

Thank you Aaron.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Regen

- 1 AN ACT *to renumber* 86.195 (1) (a); *to amend* 86.195 (1) (d) 1., 86.195 (3) (intro.),
- 2 86.195 (4) (b) and 86.195 (10) (a); and *to create* 86.195 (1) (am) and 86.195 (3)
- 3 (e) of the statutes; **relating to:** displaying attractions on highway specific
- 4 information signs.

Analysis by the Legislative Reference Bureau

The federal Highway Beautification Act limits the placement of signs visible from interstate and federal-aid primary highways. Current state law incorporates these requirements and allows, with limitations, the Department of Transportation (DOT) to erect and maintain certain informational signs to assist motorists traveling along state highways. DOT may, with restrictions, authorize the erection and maintenance, on designated state highways, of specific information signs, which notify motorists that certain businesses located near a highway are available to provide gas, food, lodging, or camping to motorists. DOT also may, with restrictions, erect and maintain tourist-oriented directional signs to provide identification of and directional information for tourist-related businesses, services, or activities that derive the majority of their income or visitors during the normal business season from motorists not residing in the immediate area where the businesses, services, or activities are located.

This bill allows specific information signs to display the word "attraction," along with "gas," "food," "lodging," and "camping," and allows a sign mounted on the specific information sign to identify the attraction. Consistent with federal law directives, an attraction under the bill must have all of the following:

1. A primary purpose of providing amusement, historical, cultural, or leisure activities of interest to the traveling public and be owned or operated by a governmental entity; be a publicly or privately owned site of natural phenomena or of historic, cultural, scientific, educational, or religious interest; or be an area of natural scenic beauty or naturally suited for outdoor recreation.

2. Regional significance.

3. Adequate parking.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 86.195 (1) (a) of the statutes is renumbered 86.195 (1) (ar).

Representative Ainsworth is planning a public hearing on LRB 4316/1 for February 26th. (It will have a bill # by then.) Is there any way to request a fiscal estimate prior to the 26th - even though I may not have the bill number for a couple days?

Thanks for your help on this.
